

I was a student of Little Hearts english medium school, ashok. and I got 88.6% in 10th board.

I am student of glorious academy. This institution help us to enhance our knowledge upto such a level which not only helps us to study well but also make us confident to accept different challenges. The teaching staff here being friendly also allows students to fully ask doubts and queries. They inspire us, motivate us and provides the best suitable education for achieving our dream goals. In glorious academy doctors and engineers are build with full dedication of by the teachers.

Thank you!
