

Ashwina Allwar.

Class XI

I am currently studying in class 11th in GLORIOUS ACADEMY. I'm very happy and lucky to get chance of learning in this Institute. Teachers and Teaching staff are very good. They helps us in our study. They guide us to achieve our goals. They motivate us. They clear our all doubts. Here, the classes gives you perfect environment for studying and the filled moments. There are weekly Test of JEE and NEET. This test series helps us to keep the track our progress. Here, all teachers make sure that we understand each and every topic. They provide us DPP which help us in our daily Revision.

I am very thankful to all teachers and teaching staff to make us understand and guiding us.
